A. The Association shall have the right to determine such members of the Association as it deems reasonably necessary as Association representatives.

B. The Borough agrees to make available to the Association all public information concerning the financial resources of the Borough, and other public information which may be necessary for the Association to process any grievance or negotiation.

C. Authorized representatives of the Association shall have the right to enter the areas in and around the portion of the Hopatcong Municipal Building reserved for Police work during working hours for the purpose of conducting normal duties relative to the enforcement and administration of this Agreement or to transact official Association business, so long as such visits do not interfere with the work being performed for the safety of officers or with proper service to the public, and further provided it is appropriately scheduled with the Borough Administrator's office and the Chief of Police.

D. Whenever any representative of the Association or any other Employee in its bargaining unit is mutually scheduled by the parties to participate during regular working hours in negotiations, grievance proceedings, conferences or meetings, the Employee shall suffer no loss in pay.

E. As a body exercising governmental power under the laws of the State of New Jersey, the Borough undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any Employee in the enjoyment of any rights conferred by Chapter 303, Public Laws 1968, or other Laws of New Jersey or the Constitution of New Jersey and of the United States.

F. The Borough further agrees that it shall not discriminate against any Employee with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association and its affiliates, his participation in any activities of the Association and its affiliates, collective negotiations with the Borough, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment, as prescribed by the Statutes of the State of New Jersey. The Association agrees to represent the interest to all Employees without discrimination and without regard to employee organization membership. B. It is mutually understood and agreed that the Borough retains the prerogatives of management, including but not limited to the rights of hiring, suspending, disciplining, or discharging for proper cause, promoting, demoting, transferring between divisions and assignment of Employees to work; to determine the standards of services to be offered by its agencies; to take necessary actions in emergencies; to determine the standard of selection of employment; to maintain the efficiency of its operations and the technology of performing its work to determine the methods, means and personnel by which its operations are to be conducted; to introduce new or different methods of operations and to determine the content of job classifications. This clause is subject to Civil Service Rules and Regulations and any other applicable law and provision of this Agreement.

C. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Borough, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited by the specific and express terms of this Agreement. The provisions of this Agreement shall be subject to and subordinate to, and shall not annul or modify, existing applicable provisions of State of Federal laws or regulations.

ARTICLE IV
RIGHTS OF EMPLOYEES

A. Members of the force hold a unique status as public Officers in that the nature of their office and employment involves the exercise of a portion of the Police power of the municipality. The security of the community depends to a great extent on the manner in which Police Officers perform their duty, and their employment is thus in the nature of a public trust. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts, and relationships with the public. Out of these contacts may come questions concerning the actions of the members of the force. These questions may require investigation by superior Officers designated by the Chief of Police and the governing body. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

1. The interrogation of a member of the force shall be at a reasonable hour, preferably when the member of the force is on duty, unless the exigencies of the investigation dictate otherwise.
2. The interrogation shall take place at a location designated by the Chief of Police. Usually it will be at Police Headquarters or the location where the incident allegedly occurred.
3. The member of the force shall be informed of the nature of the investigation before any interrogation commences. Sufficient information to reasonably appraise the members of the allegations should be provided. If it is known that the member of the force is being interrogated as a witness only, he should be so informed at the initial contact.
4. The questioning shall be reasonable in length. Fifteen (15) minutes time shall be provided for personal necessities, meals, telephone calls, and rest periods at the end of every two (2) hours.
5. The member of the force shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions.
6. At every stage of the proceedings, the Department shall afford an opportunity for a member of the force, if he so requests, to consult with counsel and/or his Association representative, nor more than two (2) hours or consultation with his attorney. However, this paragraph shall not apply to routine day-to-day investigations.

7. In cases other than departmental investigations, if a member of the force is under arrest or if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.

8. Nothing herein shall be construed to deprive the Department or its Officers of the ability to conduct the routine and daily operations of the Department.

B. Under no circumstance shall the Employer offer or direct the taking of a polygraph or voice print examination for any Employee covered by this Agreement.

ARTICLE V
WORK DAY, WORKWEEK AND OVERTIME

A. The Borough agrees to implement a so-called "Pitman Work Schedule" on a trial basis; with a schedule consisting of twelve (12) hour workdays (including appropriate meal and rest periods) as follows: two (2) days on – two (2) days off; three (3) days on – two (2) days off; two (2) days on – three (3) days off. The shift start-times and end-times for the Pitman Work Schedule shall be at 8:00 +/- one (1) hour. The details concerning the transition to the aforementioned schedule shall be discussed and resolved by and between the parties.

B. "Pitman Time Bank" – On the Pitman Schedule an officer will work a twelve (12) hour day schedule, which is eighty-four (84) hours in a two (2) week period over the course of a fifty-two (52) week work year equaling 2196 hours worked.

$$\begin{array}{rcl} \text{Pitman work year (-)} & \text{Current work year } (=) & \text{Pitman time hours} \\ 2196 \text{ hrs.} & - & 2080 \text{ hrs.} \\ & & = 116 \text{ hrs.} \end{array}$$

The one hundred sixteen (116) hours will be known as "Pitman Time." Unlike "compensatory time" (calculated at 1.5 per hour), "Pitman Time" will be calculated at an hour for hour rate. The "Pitman Time" will be placed in a "Pitman Time Bank" not to exceed four hundred (400) hours, which can be carried year-to-year like "compensatory time."

C. The Pitman Work Schedule shall be implemented on a trial basis for a minimum period of six (6) months and shall be reviewed semi-annually thereafter. The Borough reserves the right to revert to the current shift system, as defined in the attached Appendix A, at any time after the trial period with a minimum of forty-five (45) days written notice to the PBA. The Borough agrees that changes from the Pitman Work Schedule to the current shift system shall not be done in an arbitrary or capricious manner. It is understood by both parties that changes to the scheduling system shall not be subject to a process of binding arbitration.

D. Should it become necessary for an Officer to appear in Superior, County, Municipal, or other Court, on official business, during other than his regularly scheduled duty time, such Officers shall receive compensation at the rate of time and one-half (1-1/2) for each hour worked. In lieu of cash payment, all Officers may opt for compensatory time off at the same rate. Such time may be taken only when approved and scheduled by the Chief of Police so as not to interfere with departmental operations, and may only be given when requested by the eligible Officer.

E. Officers regularly assigned to detective work shall receive annually, in addition to their regular compensation, \$1800.00 per year which shall be pro-rated if the assignment is for less than the full year. Said compensation shall be paid with, and be considered a part of, their base rate of pay for all purposes. Detectives shall be entitled to the same overtime compensation provided to other officers pursuant to the provisions of this Article V.

F. The terms "assignment to detective work" and "assigned to detective work" means on a regular basis, not just for a day or a week. If an Officer is assigned to detective work for just a few hours or just a day, he shall still be eligible for any overtime compensation to which would be eligible as an Officer. The use of these terms is not to be used to prevent an Officer whose regular work is that of patrol for obtaining the benefits normally due him, but is meant to apply only to those whose regular assignment is detective work as opposed to any other Police assignment.

G. If an Employee who is eligible for call-out time compensation is called out for emergency work, the Employee shall be eligible for a minimum of three (3) hours of work at the appropriate overtime rate. An Employee may request to leave earlier than three (3) hours, but in such case the Employee shall only be paid for the time actually worked.

H. The term "call out" is applied to all times a Police Officer is called upon at his home or otherwise, to come on duty during times the Police Officer is not already scheduled to work, including having to appear in State, County, Municipal, or other Court.

I. All employees are required to make an effort to determine if their appearance in Court is actually required. All employees shall check to determine if a previously scheduled Court appearance is actually required in accordance with the procedure currently established of checking at approximately 4:30 P.M. on the day of the scheduled Court appearance, or a procedure in general accordance with this established by the Chief of Police.

J. Effective July 1, 2005, officers engaged in work for which compensation is paid through an established escrow account pursuant to Hopatcong Ordinance #23-2005, shall receive a flat rate of \$50.00 per hour.

K. With respect to sick leave, holiday leave and vacation leave benefits; all leave benefit days as defined in *Article VI*, *Article X* and *Article XI* herein, shall be calculated as eight (8) hours periods for Pitman Work Schedule purposes. As an example, an employee eligible for fifteen (15) days of sick leave under the current schedule (Appendix A) shall be eligible for 120 hours of sick leave under the Pitman Schedule.

ARTICLE VI

3. Absence without notice for five (5) consecutive days may constitute grounds for discipline which may seek penalties up to and including discharge; subject to applicable law.

D. VERIFICATION OF SICK LEAVE

1. Employee who shall be absent on sick leave for three (3) consecutive or more working days or who has been absent on sick leave for periods totaling ten (10) days in one (1) calendar year shall submit acceptable medical evidence substantiating the illness for any additional sick leave in that year. The Borough may require proof of illness of an Employee on sick leave, however, whenever such requirement appears reasonable. Abuse of sick leave may cause the Employee to be subject to disciplinary action including suspension and/or dismissal in accordance with applicable law.

2. In case of leave of absence due to exposure to contagious disease, a certificate from the Department of Health may be required.

3. The Borough may require an Employee who has been absent because of personal illness, as a condition of return to duty, to be examined at the expense of the Borough by a physician of the Borough's choice. Such examination shall establish whether the Employee is capable of performing the Employee's normal duties and that return will not jeopardize the health of other Employees.

4. Any Employee absent from work on either the Employee's last scheduled working day before the celebration of a holiday (special leave day) or before a scheduled vacation day or on the Employee's next scheduled working day following the celebration of a holiday (special leave day) or following a vacation day, may be required to submit proof of illness from a physician.

- b. Next one hundred (100) days of accumulated sick leave – thirty (30%) percent of average daily pay.
- c. All over two hundred (200) days of accumulated sick leave – forty-two (42%) percent of average daily pay.

3. Payment may be made in up to three (3) annual installments at the option of the Mayor and Council.

4. Average daily pay shall be computed by dividing the annual base salary by the number of hours of work on an annual basis times the number of hours of work in a standard work day. Annual base salary shall be that salary paid during the Employee's last twelve (12) months of employment.

F. BEREAVEMENT LEAVE

1. In case of death in the immediate family, an Employee shall be granted up to three (3) days bereavement leave.

2. Immediate family shall be defined as the Employee's husband, wife, child, stepchild, mother, father, brother, sister, father-in-law, mother-in-law, brother-in-law, or sister-in-law, grandmother and grandfather.

3. Reasonable verification of the event is required by the Borough.

GRIEVANCE PROCEDURE

A. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement and to resolve grievances as soon as possible so as to assure efficiency and promote Employee's morale. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein shall be construed as limiting the rights of any Employee having a grievance to discuss the matter informally with the Chief of Police and having the grievance adjusted without the intervention of the Association. Any Employee wishing to process the Employee's own grievance may do so, but no settlement shall be made inconsistent with the terms of this Agreement.

B. DEFINITION

The term "grievance" as used herein means a dispute between the parties over the interpretation, application or violation of policies, agreements, and administrative decisions affecting the Employees including disputes over matters of minor discipline (minor discipline is defined as those disciplinary actions wherein the penalty is less than six (6) days of fine or equivalent suspension or any lesser penalty). It is expressly understood, however, that no grievance may proceed beyond STEP ONE herein unless it constitutes a complaint or controversy arising over the interpretation of the terms and conditions of this Agreement. It is further understood that disputes concerning terms and conditions of employment governed by statute or administrative regulation, incorporate by reference in this Agreement either expressly or by operation of law, shall not be processed beyond STEP ONE herein.

C. PROCEDURE

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent. Time extensions may be mutually agreed to by the Borough and the Employee, but such time extensions shall be in writing. The Employee may process a grievance through any or all of the following steps without the Association if the Employee chooses. If the Employee does process a grievance without the Association, then the Employee shall substitute for the Association in the following steps:

STEP ONE

The aggrieved Employee and the Association representative shall present the Employee's grievance to the Employee's immediate supervisor within ten (10) calendar days of its occurrence. The supervisor shall attempt to adjust the matter and shall respond to the Employee within three (3) calendar days.

STEP TWO

If the grievance has not been settled, it shall be reduced to writing stating the nature of the grievance and the remedy being sought and presented by the Association representative to the Chief of Police within five (5) calendar days after the supervisor's response is due. The Chief of Police shall respond to the Association representative in writing within five (5) calendar days.

STEP THREE

If the grievance still remains unadjusted or unanswered by the Chief of Police, it shall be presented by the Association representative to the Borough Administrator by serving the same upon the Borough Clerk in writing within seven (7) calendar days after the response of the Chief of Police is due. The Borough Administrator shall respond in writing to the Association representative within ten (10) calendar days unless extended by mutual consent. Should the grievance not be settled by STEP THREE, if the aggrieved is a permanent Employee, he shall have the right to elect to pursue the remedies offered by the Civil Service Act, providing appeal is made to Civil Service within five (5) days of receiving the Borough Administrator's response. If Civil Service remedies are pursued, arbitration pursuant to STEP FOUR shall be precluded. Likewise, if arbitration pursuant to STEP FOUR is pursued, Civil Service remedies are precluded.

STEP FOUR – ARBITRATION

If the grievance is not settled to the aggrieved Employee's satisfaction at STEP THREE, the Association may refer the matter to binding arbitration pursuant to the rules and regulations of the Public Employment Relations Commission with ten (10) calendar days after the determination by the Borough Administrator.

2. The Arbitrator selected pursuant to the procedure of the Public Employment Relations Commission shall be bound by the provisions of this Agreement and by applicable laws of the State of New Jersey and of the United States, and decisions of the Courts of the State of New Jersey and the United States, shall be restricted to the application of the facts presented to him involved in the grievance. The Arbitrator shall not have the authority to add to,

modify, detract from, or alter in any way the provisions of this Agreement or any amendment or supplement thereto. In rendering his written decision, the Arbitrator shall indicate in detail his findings of fact and reasons for making the Award. The Arbitrator shall be guided by and shall be bound by the rules of the Public Employment Relations Commission. The decision and Award of the Arbitrator shall be final and binding upon the parties subject to applicable judicial or administrative proceedings.

D. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, the grievance shall be deemed to have been waived. If any grievance is not processed to the next succeeding step in the Grievance Procedure within the time limits prescribed, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the Grievance Procedure. A failure to respond to any level within the time limits provided shall be deemed a denial of the grievance at that step.
